## Autumn - Activity 3

---

Make a rainbow with different colorful leaves. Make a picture of your rainbow.

## Autumn - Activity 4

---

Find something that lives. Take a picture of the creature.

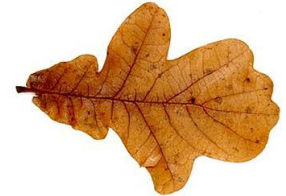

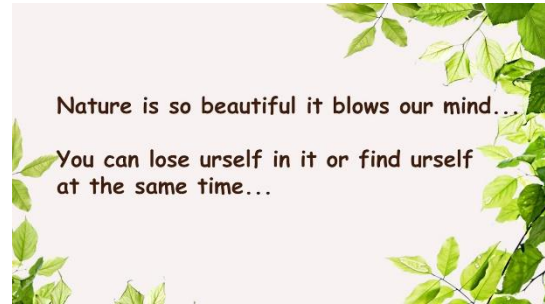

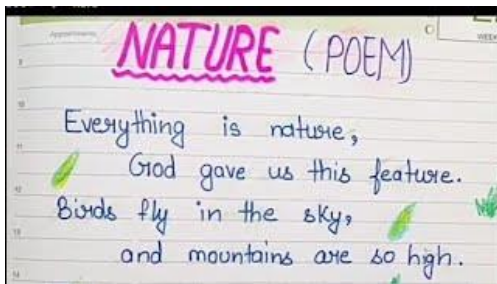

## Autumn - Activity 5

---

Make a nice poem or song about the forest, autumn or nature in general.

Make a film while you recite the poem or sing the song.

## Autumn - Activity 6

---

Find a place in the forest that you really like.

Let someone take a picture of you in your favourite spot.

## Autumn - Activity 7

---

Find 20 similar things in the parc and illustrate the multiplication of two. Take a picture of the result.

## Autumn - Activity 8

---

Make an animal with leaves.

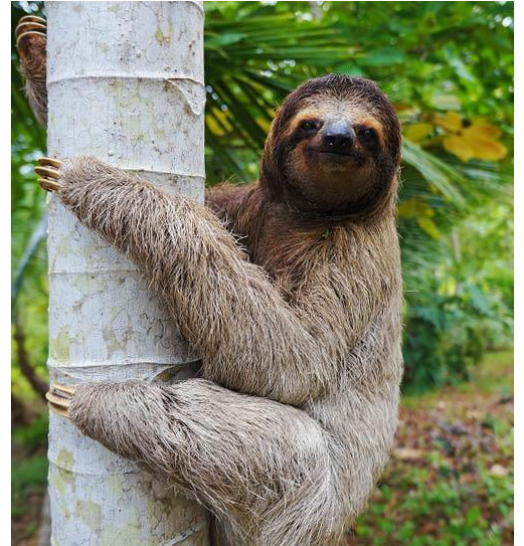

# Spring – Activity 1

---

Pretend you're a sloth. Stay as long as you can. Arms and legs around the tree!

# Spring – Activity 2

---

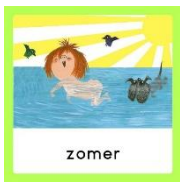

Find some loose materials in the woods. Make a high tower or construction. Who has the highest tower?

# Spring – Activity 3

Dress yourself up as a tree. Make a picture.

# Summer – Activity 1

Find a fruit(age) of different trees.

Oak

American oak

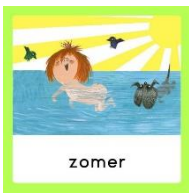

Beech

Linden

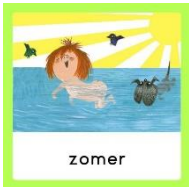

## Summer – Activity 2

---

Make an imprint of the bark of a tree. Or make a close up of the bark of a tree.

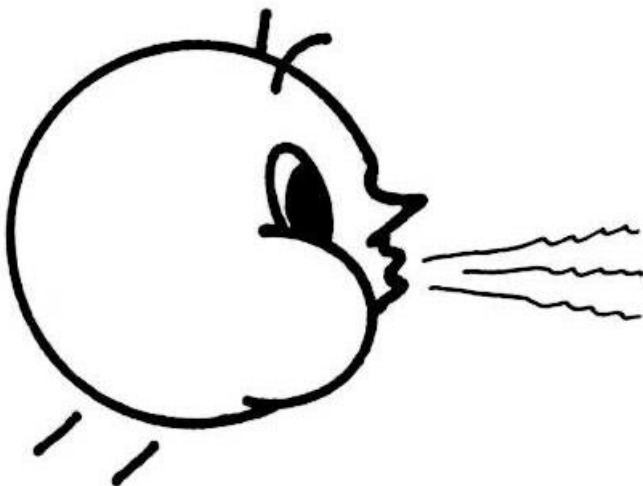

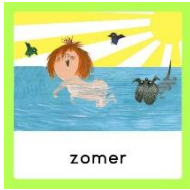

## Summer – Activity 3

---

A contest!

Keep a leaf of a tree in the air as long as you can.

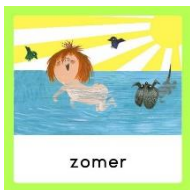

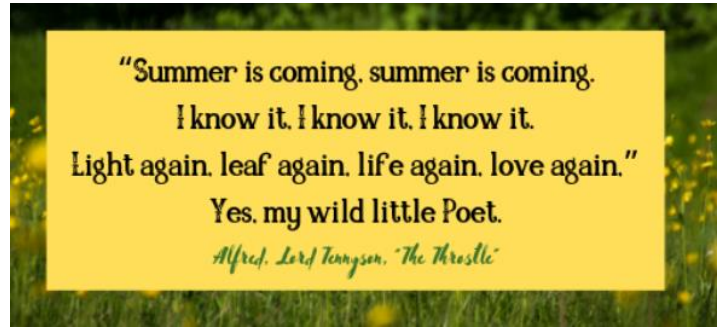

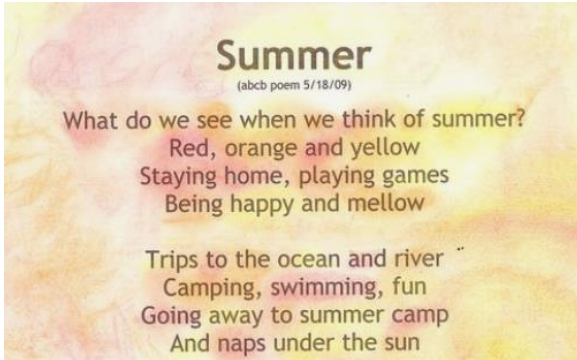

## Summer – Activity 4

Make a nice poem or song about the summer.

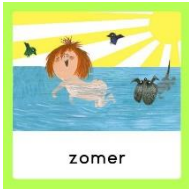

Make a film while you recite the poem or sing the song.

## Summer – Activity 5

Make a frame with branches. Make a 'painting' with natural materials within the frame. Take a picture of your work of art.

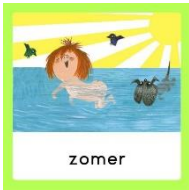

## Summer – Activity 6

---

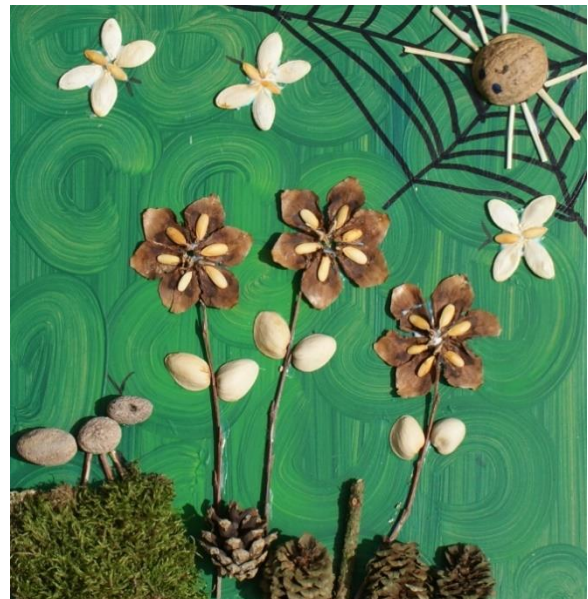

Go and search something that smells very good!

## Summer – Activity 7

---

Design a new kind of flower with leaves, branches, flowers... that you find in the woods.

## Autumn/mushroom – Activity 1

---

Find traces of animals (paw prints, nibbling, broken branches...).
